

Make your trip unforgettable with **Jovie sitters.**

Say hello to Jovie. We are the nation's largest, most complete childcare resource, providing in-hotel room sitters to travelling families. Our sitters can watch children while parents participate in company activities and events or enjoy an evening out.

Safe, dependable, and professionally trained

Jovie sitters are vetted and background screened, ready to care for children of all ages and create a safe care environment. We'll pair your family with a sitter experienced with the ages of your children.

We are thrilled to support Menasha Corporation families.

Our sitters will be on-site during your meeting and are happy to provide one on one family care as needed. Jovie will waive the enrollment fee for Menasha families (a \$149 savings) and supply a discounted hourly rate of \$35/hr for in-room care. A three-hour care minimum will apply for all bookings.

To arrange a sitter for your family, or for more information, please email Amanda.Wokurka@Jovie.com or scan the QR code.
